Tidsplan	4

Vurdering af egen indsats

Jeg mener ikke, at jeg har disponeret min tid korrekt. Jeg kunne have opnået mere, hvis jeg havde været bedre til at bruge den tidsplan og jeg havde i tankerne.

Der er steder, hvor jeg helt sikkert mangler noget, især på styling, og mange steder, hvor jeg bare ikke har noget gjort på grund af min dårlige disponering af tid.

Det er klart, at dette har gjort, at jeg har mistet tråden lidt, og at det roder en smule. Alt er ikke stylet som på designet, og det skal helt sikkert forbedres til den endelige prøve.

Redegørelse af kode elementer

Jeg har brugt forskellige NPM-pakker som React Hook Forms til at implementere valideringen på min login-side, React Material UI Carousel til min Hero image Slider og har også benyttet Axios til databehandling fra API'et.
